

SEPTEMBER 21, 2023

The Willows Event Center, 6303 82nd St. Lubbock, Texas
6:30 pm - 9:30 pm

Dear Valued Community Partner:

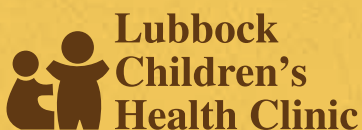

Lubbock Children's Health Clinic is proud to present opportunities to be a part of our **2023 Sneakers & Pearls Benefit Soiree** being held on **September 21, 2023**.

This is an incredible opportunity to showcase your business in front of our community's finest while supporting a worthy cause. The substantial impact this event will have on Lubbock Children's Health Clinic would not be possible without the generous support of our community partners. We kindly encourage you to consider contributing to the success of the **Sneakers & Pearls Benefit Soiree** via sponsorship and/or donating a gift certificate, services or merchandise for the event auctions.

Your support allows us to continue serving the children in our community who need us most. For over 83 years, Lubbock Children's Health Clinic (LCHC) has provided health care and cultivated access to extended healthcare services for under-served children in Lubbock and surrounding counties. At LCHC, "we do not turn away children for parent's inability to pay". We believe all children should have access to quality healthcare regardless of socioeconomic status.

LCHC provides a full scope of healthcare needs to our patients and families. In addition, we provide free pharmacy vouchers, on-site food pantries, counseling services, a diaper depot and eyeglass clinic—all free of charge for families in need. Our emphasis on preventive health care means children receive well-exams, immunizations, on-site lab testing, hearing and vision tests, and development assessments at regularly scheduled appointments. We are committed to enhancing the quality of healthcare for children in our community.

Join us so that every child in our community has access to quality healthcare and a medical home. Thank you for your commitment to our clinic, patients and community.
